This catalog includes a sampling of our products. Visit us on the web, or email us for more ideas. We are constantly adding new items to our inventory list.

All items include engraving of your choice of design at no extra charge. Personalizing with names or text is $5.00 extra (up to 20 characters, $0.25 per character over 20). For large orders with identical text and graphics, there is a one-time setup fee, and the $5.00 personalizing charge is waived.

We are very particular about offering high quality art and graphics. If we don’t have the art you want, we can usually develop the graphics for you. We develop most of our artwork in-house. In many instances, your logo and personalized text can be added to our products. For breeds/events for dogs, horses, and other animals, we will develop art upon request at no extra charge.

Add A Tag to Most Gifts & Awards: Leather, Metal-Look or Colored Laser Plastic, or Wood

Do you already have an item in mind that can’t be lasered, but you’d like it customized? We can do that by adding a tag of nearly any shape and size. Recycle trophies and awards using a new tag/plate to cover or replace the old one. To add a tag, using a small chain works on some items, while just sticking the tag on with adhesive works for others. Any of our tags can be ordered with adhesive to attach them directly to your items. Tags and plates can be lasered with text and/or graphics & logos. Contact us for a quote.
